SUPPLEMENT TO
REPORT NO.

1. The Djuro Djakovic heavy industry works at Brod, under the management of Engineer Schell, received an order from the Ministry of National Defense at the end of May 1948 for the manufacture of a "large quantity" of parts for heavy caliber guns.
2. It has not been possible to ascertain precisely which parts were ordered, but it is known that the quantity is such as to keep the whole factory employed for a number of months.
3. This factory employs 1,700 workers, 180 mechanics and 24 engineers (of whom five are German, two Soviet and one Polish). The factory is guarded by military guards of the UDB.
4. The political commissar is Major Nikola Kraguljac.
